

BELARUS, MY BLUE - EYED COUNTRY

An aerial photograph of a large, calm lake in a lush green landscape. The sky is filled with white and grey clouds, and the water reflects the light. The surrounding land is covered in green fields and trees.

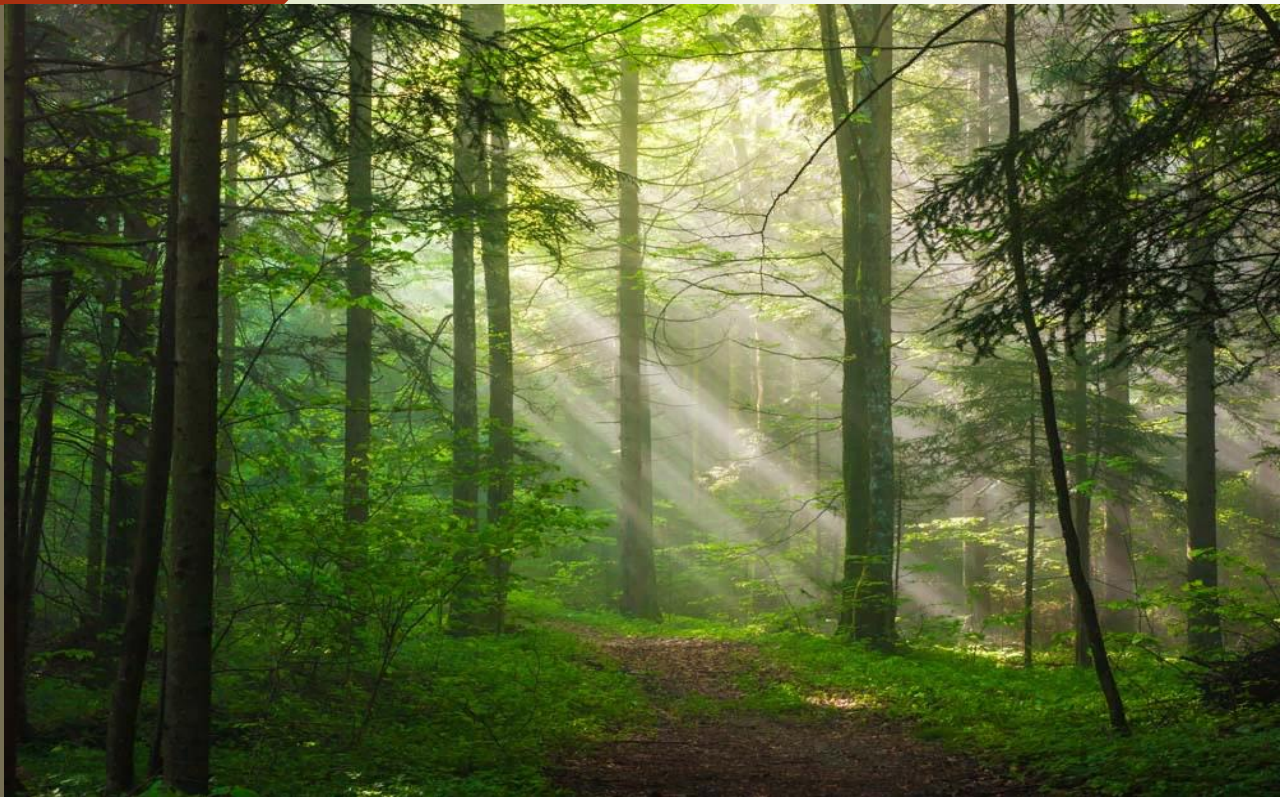

**Where do you live? Where do
you live?**

**Now tell me, please? Where do
you live?**

**I live in Belarus, I live in
Belarus,**

**I live in Belarus, that's where I
live.**

A forest

a meadow

a field

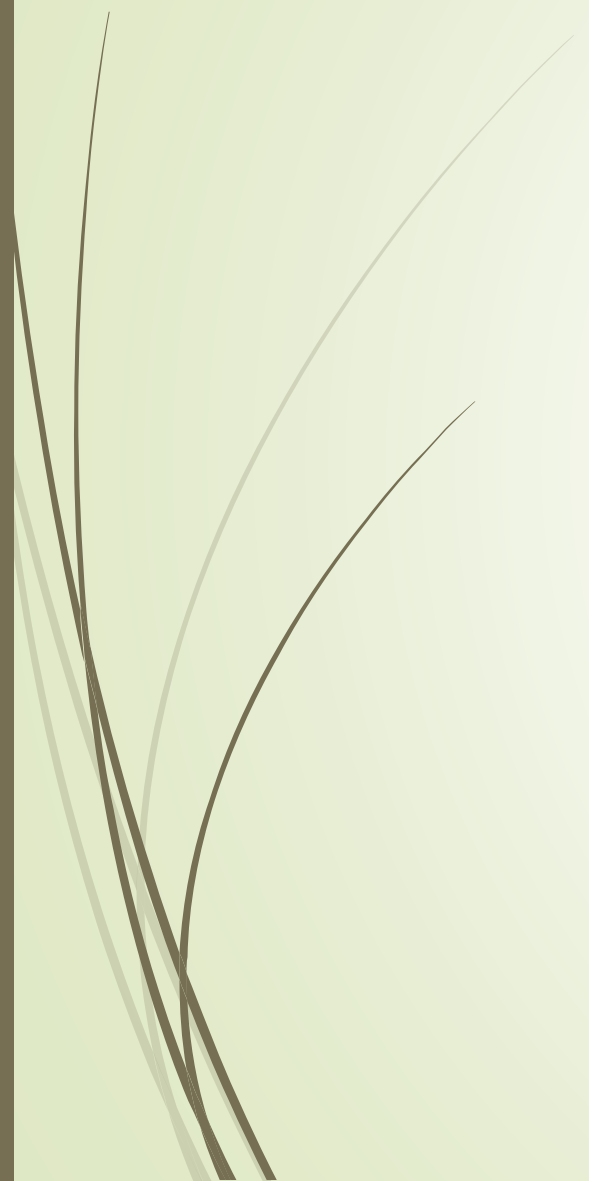

a hill

a swamp

Belarusian forests are home to many animals and birds. In our forests we can see bison, deer, elk, wild boar, beavers, foxes, hedgehogs, lynxes, wolves.

The symbols of Belarus are a bison and a stork

Belarusian nature is very beautiful. Belarus is often called 'a blue-eyed' country because there are 10,000 ... and 20,000 ... in it. The biggest lake is Lake The most important rivers are the Dnepr, the Western Dvina, the Neman and the

There are not any high mountains in Belarus but there are a lot of ... in the country. The highest point¹ of Belarus is Mount Dzerzhynskaya (346 meters high).

You can see a lot of green ... , ... and One third of the country is covered with ... or pushchas. Belarusian forests are home to many animals and

A deer - two deer
